宵夜地圖 AFTER 9

In November 2026, AFTER 9 Night Map sets out from late-night dining to show residents and visitors another side of Hong Kong after 9pm. The campaign links Causeway Bay, Central, Yau Tsim Mong and more — from hotpot and local supper to skewers, dessert, cocktails and destination restaurants. Participating venues extend hours with after-9 offers, menus and late-night experiences. AFTER 9 is for eating later, playing later, staying later.
